GLOBAL NETWORKING & Home base

Founders Apostle Andre & Nola Pelsers have reached over 100 nations with the Gospel of Jesus Christ. 4th Generation minister Apostle Aje & his wife Chantal Pelsers are part of team of reformers that will seek to follow up and establish this move of God. Registration of Churches in Africa, Europe, Asia and the Americas is the next priority in missions abroad. Building the Home base Headquarters in Cape Town on their land in Burgundy Estate, is a necessary step to help sustain this growing vision that is capturing the attention of the youth through creative ministry and life skills training.

“KIDS SING – THE GREAT HARVEST!”

Children’s Church is a priority at Harvester Churches where the kids receive a condensed Life of Christ teaching often by students of local Miracle Bible College students. We believe that every church should have a Bible College and our material is shared with all our churches globally.

“Take My Presence to the Schools”

Apostle Aje Pelsa raises teams to reach schools with the Gospel and spirit and truth worship. Decisions are made for Christ Jesus and ministry takes place well into break time.

The All Nations School of Worship equips local musicians to lead worship in different styles of music from reggae to Indian, Irish to African!
